

05

Name: 3 in 1 charging cable

Type: LT-ET12

Compatible: MICRO USB+ LIGHTNING+TYPE-C

Color: Black+red+blue

Length: 120cm

Weight: 80g

Specification:

- 1.High quality fabric material, 4 bands copper core 5 A acceptable.
2. 118 pcs 100% pure copper core, transmit data more stable.
4. USB head adapted Aluminum alloy.
5. Anti-break each joint.

CARTON: 312pcs / carton

Aile Bluetooth headset

03

Name: Aile Bluetooth Headset

Type: LT-LY-13

Core: CSR

Broadcasting / Calling time: 6-8h

Transmit distance: 10M

Decrease noise: CVC 6.0

Weight with package:450g

Wear Type: in-ear

Type: 4.1

Lasting time:210h

Color: black/red

Charging time:1.5h

Power capacity:130mah

Specification:

1. Super sound effect, and comfortable to wear
2. Ergonomics design, Soft silicon hanger with stereo stereo;
3. **Lasting time:210h , Broadcasting time 8 hours;**
4. Anti-falling down desing with magnetic;

CARTON: 18pcs / small box , 108pcs / carton

01

Wireless earpods

open to pair 1: 1

Name: Wireless Earpods Headset

Type: LT-LY-17

Core: CSR

Playing Calling time: 3-4hours

Transmit distance: 10M

Decrease noise: CVC 6.0

Weight with package:450g

Wear Type: Wireless

Type: 5.0

Lasting time: 210hours

Color: white

Charging time:1.5hours

Power capacity:150mah

Specification:

1. Open to connect iphone, touchable to control
2. Comfortable to wear, CVC noise isolation
3. Nine bluetooth version, bluetooth 5.0
4. Fast charging, after 30minutes charging, the earpods can playing 2 hours.

CARTON: 39pcs / small box , 234pcs / carton

01

Wireless earpods

open to pair 1: 1

Name: Wireless Earpods Headset

Type: LT-LY-16

Core: CSR

Playing Calling time: 3-4hours

Transmit distance: 10M

Decrease noise: CVC 6.0

Weight with package:450g

Wear Type: Wireless

Type: 5.0

Lasting time: 210hours

Color: white

Charging time:1.5hours

Power capacity:150mah

Specification:

1. Open to connect iphone, touchable to control
2. Comfortable to wear, CVC noise isolation
3. Nine bluetooth version, bluetooth 5.0
4. Fast charging, after 30minutes charging, the earpods can playing 2 hours.

CARTON: 39pcs / small box , 234pcs / carton

02

S110 Power Bank

HOT SALE! BEST PRICE

Name: S110 power bank

Type: LT-S110

Capacity: 10000mAh

Input port: Micro USB

Output power: 5V/2.1A & 1A

Battery core: POLYMER BATTERY

Shell material: ABS+PC

Color: black/white/pink/yellow/blue

Specification:

1. Five color is suitable for all customers;
2. 10000 mah real capacity; best price and great quality;
3. Adopted high quality convertor which is more fast to charging;
4. High class package.

CARTON: 30pcs / small box , 120pcs / carton

02

S170 Power Bank

HOT SALE! BEST PRICE

Name: S170 power bank

Type: LT-S170

Capacity: 10000mAh

Input port: Micro USB

Output power: 5V/2.1A & 1A

Battery core: POlymer Battery

Shell material: ABS+PC

Color: black/white

Power display

Specification:

1. 10000 mah real capacity; best price and great quality;
2. Adopted high quality convertor which is more fast to charging;
3. High class package.

CARTON: 30pcs / small box , 120pcs / carton

02

S180 Power Bank

HOT SALE! BEST PRICE

Name: S180 power bank

Type: LT-S180

Capacity: 20000mAh

Input port: Micro USB

Output power: 5V/2.1A & 1A

Battery core: Polymer Battery

Shell material: ABS+PC

Color: black/white

Power display

Specification:

1. 20000 mah real capacity; best price and great quality;
2. Adopted high quality convertor which is more fast to charging;
3. High class package.

CARTON: 26pcs / small box , 104pcs / carton

04

S880 MINI Power Bank

Name: S880 10000mah MINI power bank

Type: LT-S880

Capacity: 10000mAh

Input port: Micro USB Output power: 5V/2.1A & 1A

Battery core: Polymer Battery

Shell material: ABS+PC

Color: black/white

Package size: 92*63*24mm

Specification:

1. Super MINI ,lightweight and portable;
2. 10000 mah real capacity; best price and great quality;
3. Adopted high quality convertor which is more fast to charging;
4. High class package.

CARTON: 28pcs / small box , 112pcs / carton

05

S150 10000mah power bank

Name: S150 power bank

Model: LT-S150

Capacity: 10000mAh

Input: USB 5V/2A

Output: iphone/tpc/micro 5.0V/2.4A

Material: ABS+PC

Color: Black / White

Weight: 224g

Package size: 139×67×14mm

Specification:

1. 4 cable in 1, lightweight and portable; with LCD display
2. 10000 mah real capacity; best price and great quality;
3. Adopted high quality convertor which is more fast to charging;
4. High class package.

CARTON: 30pcs / small box , 120pcs / carton

06

20000mah power bank

Name: 20000mah

Model: LT-S160

Capacity: 20000mAh

Input: USB 5V/2A

Output: 5.0V/2.1A 1A(Max)

Material: ABS+PC

Color: white / black

Specification:

1. 4 cable in 1, lightweight and portable; with LCD display
2. 20000 mah real capacity; best price and great quality;
3. Adopted high quality convertor which is more fast to charging;
4. High class package.

CARTON: 26pcs / small box , 104pcs / carton

10

PD +QC3.0 POWER BANK

Name: PD POWER BANK

Type: LT-T911-PD

Capacity: 10000mAh

Input port: type-C+Micro USB

Input: 5V/2A

Output power: 5.0V/3A

Shell material: ABS+PC

Color: black/white

Package Size: 142×69×27mm

Specification:

1. 18W PD fast charging, support iphone PD and QC3.0 output
2. 10000 mah real capacity; best price and great quality;
3. Adopted high quality convertor which is more fast to charging;

CARTON: 30 pcs / small box , 120pcs / carton

4

PD Cable(type-c to lighting)

support to all iphone products

Name: PD Cable

Type: LT-PD-31

Compatible: Type-C to Lightning

Color: white

Length: 100cm

Weight: 50g

Current : 3 A

Specification:

1. PD fast charging cable, Type-C to lighting.
2. Speed up cable 30 minutes get 50% capacity of iphone mobile;
3. Easy to use, double face.
4. Adopted PET material, eco-friendly

CARTON: 60pcs / small box , 360pcs / carton

07

30000mah power bank

Name: 30000 power bank

Model: LT-S120

Capacity: 30000mAh

Input: Micro USB

Output: 5V/2A

Output: 5.0V/2.1A 1A(Max)

Material: ABS+PC

Color: White/black

Specification:

1. LCD display
2. 30000 mah real capacity; best price and great quality;
3. Adopted high quality convertor which is more fast to charging;
4. High class package.

CARTON: 48pcs / carton

08

60000mah power bank

Name: 60000 mah power bank

Model: LT-S130

Capacity: 60000mAh

Input : USB

Input: 5V/2A

Output: 5.0V/2.1A 1A(Max)

Material: ABS+PC

Color: White/Black

Specification:

1. LCD display
2. 60000 mah real capacity; best price and great quality;
3. Adopted high quality convertor which is more fast to charging;
4. High class package.

CARTON: 48pcs / carton

01

Intelligent Battery

iphone : 5/5s/6/6S/6P/7/7P

REAL CAPACITY

Iphone 5/5s: 1560mAh

iphone 6 : 1810mAh

iphone 6s : 1715mAh

iphone 7 : 1960mAh

iphone 6plus : 2915mAh

iphone 6splus : 2750mAh

iphone 7plus : 2900mAh

4

PD Cable(type-c to lighting)

support to all iphone products

Name: PD Cable

Type: LT-PD-31

Compatible: Type-C to Lightning

Color: white

Length: 100cm

Weight: 50g

Current : 3 A

Specification:

1. 12w PD fast charging cable, Type-C to lighting.
2. Speed up cable 30 minutes get 50% capacity of iphone mobile;
3. Easy to use, double face.
4. Adopted PET material, eco-friendly

CARTON: 124pcs / small box , 744pcs / carton

09

5A 3in1

NAME: 5A ring 3in1 cable

MODEL: LT-ET-08

ITEM: MICRO USB / LIGHTNING / TYPE-C

COLOR: RED/BLACK

LENGTH: 60cm

Specification:

1. High quality fabric material, 4 bands copper core 5 A acceptable.
2. 118 pcs 100% pure copper core, transmit data more stable.
4. USB head adapted Aluminum alloy.
5. Anti-break each joint.

06

Name: 3 in 1 charging cable

Type: LT-ET9

Compatible: MICRO USB+ LIGHTNING+TYPE-C

Color: Black+red+blue

Length: 120cm

Weight: 80g

Specification:

- 1.High quality fabric material, 4 bands copper core 5 A acceptable.
2. 118 pcs 100% pure copper core, transmit data more stable.
4. USB head adapted Aluminum alloy.
5. Anti-break each joint.

CARTON: 744 / carton

06

Name: 3 in 1 charging cable

Type: LT-ET10

Compatible: MICRO USB+ LIGHTNING+TYPE-C

Color: Black+red+blue

Length: 120cm

Weight: 80g

Specification:

- 1.High quality fabric material, 4 bands copper core 5 A acceptable.
2. 118 pcs 100% pure copper core, transmit data more stable.
4. USB head adapted Aluminum alloy.
5. Anti-break each joint.

CARTON: 744 / carton

11

3.5mm AUX cable

Name: spring 3.5mm aux cable

Model: LT-YP-02

Item: 3.5MM

Color: white, orange, red

Length: 120cm

Specification:

1. Private mode cable;
2. 100% cooper;
3. 180cm spring wire, no space occupied by expansion and contraction;
4. Using alloy oxidation sandblasting technology, high-end atmosphere;
5. High-fidelity sound quality, open your music world.

Carton: 124/ small box , 744/ carton

12

3.5mm aux cable

Name: 3.5mm AUX cable

Model: LT-YP-03

Item: 3.5MM

Color: Black, white, blue, red

Length: 120cm

Features:

1. Exclusive private model appearance;
2. 100% pure copper core conductor, faster and more stable charging and transmission speed;
3. Use environmentally friendly PET material, environmentally friendly and durable;
4. Using alloy oxidation sandblasting technology, high-end atmosphere;
5. High-fidelity sound quality, open your music world.

Carton: 124/ small box , 744/ carton

13

Angle 3.5mm aux cable

Name: Angle 3.5mm aux cable

Model: LT-YP-04

Item: 3.5MM

Color: black, white, orange, red

Length: 120cm

Features:

- 1. Exclusive private model appearance;**
- 2. 100% pure copper core conductor, faster and more stable charging and transmission speed;**
- 3. Use environmentally friendly PET material, environmentally friendly and durable;**
- 4. Using alloy oxidation sandblasting technology, high-end atmosphere;**
- 5. High-fidelity sound quality, open your music world.**

Carton: 124/ small box , 744/ carton

12

5A anti-break cable

NAME: 5A anti-break fabric cable

MODEL: LT-V8-32/LT-i6-32/LT-TPC-32

ITEM: MICRO USB / LIGHTNING / TYPE-C

COLOR: RED/BLUE/SIVER

LENGTH: 100cm

Specification:

- 1.High quality fabric material, 4 bands copper core 5 A acceptable.
2. 118 pcs 100% pure copper core, transmit data more stable.
3. USB head adapted Aluminum alloy.
4. Anti-break each joint.

Carton: 124/ small box , 744/ carton

13

5A Liquid silica gel cable

NAME: 5A Liquid silica gel cable

MODEL: LT-V8-33/LT-i6-33/LT-TPC-33

ITEM: MICRO USB / LIGHTNING / TYPE-C

COLOR: WHITE, GREEN, ORANGE

LENGTH: 100cm

Specification:

- 1.High quality fabric material, 4 bands copper core 5 A acceptable.
2. 118 pcs 100% pure copper core, transmit data more stable.
3. USB head adapted Aluminum alloy.
4. Anti-break each joint.

Carton: 124/ small box , 744/ carton

14

5A Macaron cable

NAME: 5A MACARON CABLE

MODEL: LT-V8-35/LT-i6-35/LT-TPC-35

ITEM: MICRO USB / LIGHTNING / TYPE-C

COLOR: yellow, green, purple

LENGTH: 100cm

Specification:

- 1.High quality fabric material, 4 bands copper core 5 A acceptable.
2. 118 pcs 100% pure copper core, transmit data more stable.
4. USB head adapted Aluminum alloy.
5. Anti-break each joint.

Carton: 124/ small box , 744/ carton

15

5A Metal cable

NAME: 5A holder cable

MODEL: LT-V8-36/LT-i6-36/LT-TPC-36

ITEM: MICRO USB / LIGHTNING / TYPE-C

COLOR: WHITE/BLACK

LENGTH: 100cm

Specification:

- 1.High quality fabric material, 4 bands copper core 5 A acceptable.
2. 118 pcs 100% pure copper core, transmit data more stable.
4. USB head adapted Aluminum alloy.
5. Anti-break each joint.

Carton: 124/ small box , 744/ carton

16

5A Cable

NAME: 5A cable

MODEL: LT-V8-37/LT-i6-37/LT-TPC-37

ITEM: MICRO USB / LIGHTNING / TYPE-C

COLOR: WHITE/BLACK

LENGTH: 100cm

Specification:

- 1.High quality fabric material, 4 bands copper core 5 A acceptable.
2. 118 pcs 100% pure copper core, transmit data more stable.
4. USB head adapted Aluminum alloy.
5. Anti-break each joint.

Carton: 124/ small box , 744/ carton

17

5A anti-break cable

NAME: 5A cable

MODEL: LT-V8-38/LT-i6-38/LT-TPC-39

ITEM: MICRO USB / LIGHTNING / TYPE-C

COLOR: WHITE/BLACK

LENGTH: 100cm

Specification:

- 1.High quality fabric material, 4 bands copper core 5 A acceptable.
2. 118 pcs 100% pure copper core, transmit data more stable.
3. USB head adapted Aluminum alloy.
4. Anti-break each joint.

Carton: 124/ small box , 744/ carton

18

5A anti-break fabric

NAME: 5A cable

MODEL: LT-V8-39/LT-i6-39/LT-TPC-39

ITEM: MICRO USB / LIGHTNING / TYPE-C

COLOR: WHITE/BLACK

LENGTH: 100cm

Specification:

1. ANTI-BREAK HEAD, 10000 times bend test.
2. 118 pcs 100% pure copper core, transmit data more stable
3. Adopted PET material, eco-friendly;
4. 4 bands copper core 5A acceptable.

Carton: 124/ small box , 744/ carton

21

5A cable

Name: 5A cable

Model: LT-V8-40/LT-i6-40/LT-TPC-40

Item: MICRO USB / LIGHTNING / TYPE-C

Color: black, grey, red

Length: 100CM

Features:

1. 5A high current, compatible with all kinds of flash charging models on the market;
2. Bold and fast charging wire core, greater transmission rate and faster speed;
3. OD4.5 strong body, no cracking when pulled
4. High-density weaving process, flame-retardant material, strong and durable.

Carton: 124/ small box , 744/ carton

22

5A cable

Name: 5A cable

Model: LT-V8-41/LT-i6-41/LT-TPC-41

Item: MICRO USB / LIGHTNING / TYPE-C

Color: black, grey, red, blue

Length: 100CM

Features:

1. 5A high current, compatible with all kinds of flash charging models on the market;
2. Bold and fast charging wire core, greater transmission rate and faster speed;
3. Tough wire body, no cracking when pulled
4. High-density weaving process, flame-retardant material, strong and durable

Carton: 124/ small box , 744/ carton

23

5A OD4.5 cable

Name: 5A OD4.5 cable

Model: LT-V8-42/LT-i6-42/LT-TPC-42

Item: MICRO USB / LIGHTNING / TYPE-C

Color: white

Length: 100CM

1. 5A high current, compatible with all kinds of flash charging models on the market;
2. Bold and fast charging wire core, greater transmission rate and faster speed;
3. OD4.5 strong body, no cracking when pulled
4. High-density weaving process, flame-retardant material, strong and durable.

Carton: 124/ small box , 744/ carton

24

1.5米 6A抗弯折快充线

Name: 1.5meter 6A cable

Model: LT-V8-45/LT-i6-45/LT-TPC-45

Item: MICRO USB / LIGHTNING / TYPE-C

Color: white

Length: 150CM

1. 6A high current, compatible with all kinds of flash charging models on the market;
2. Bold and fast charging wire core, greater transmission rate and faster speed;
3. OD4.5 strong body, no cracking when pulled
4. High-density weaving process, flame-retardant material, strong and durable.

Carton: 2000pcs

01

2A Anti-break cable

Name: 1 meter charging cable

Type: LT-V8-29/LT-i6-29/LT-TPC-29

Capable: MICRO USB / LIGHTNING / TYPE-C

Color: white

Length: 100cm

Specification:

1. Original model;
2. 100% pure copper core, more stable transmit data;
3. Adopted PET material, eco-friendly;
4. USB head adapted Aluminum alloy;
5. 4 band copper core 1.5A acceptable.

CARTON: 2000pcs / carton

25

2Meters 6A cable

名称: 2米 6A抗弯折快充线

型号: LT-V8-46/LT-i6-46/LT-TPC-46

类型: MICRO USB / LIGHTNING / TYPE-C

颜色: 白色

线长: 200CM

含包装重量:

1. 6A high current, compatible with all kinds of flash charging models on the market;
2. Bold and fast charging wire core, greater transmission rate and faster speed;
3. OD4.5 strong body, no cracking when pulled
4. High-density weaving process, flame-retardant material, strong and durable.

Carton: 2000pcs

26

3Meters 6A cable

Name: 3meters 6A cable

Name: LT-V8-47/LT-i6-47/LT-TPC-47

Item: MICRO USB / LIGHTNING / TYPE-C

Color: white

Length: 300CM

1. 6A high current, compatible with all kinds of flash charging models on the market;
2. Bold and fast charging wire core, greater transmission rate and faster speed;
3. OD4.5 strong body, no cracking when pulled
4. High-density weaving process, flame-retardant material, strong and durable.

Carton: 2000pcs

27

OD6.0 120W data cable

Name: OD6.0 120W data cable

Model: LT-V8-48/LT-i6-48/LT-TPC-48

item: MICRO USB / LIGHTNING / TYPE-C

Color: white

Length: 100CM

1. 5A high current, compatible with all kinds of flash charging models on the market;
2. Bold and fast charging wire core, greater transmission rate and faster speed;
3. OD6.0 strong body, no cracking when pulled
4. High-density weaving process, flame-retardant material, strong and durable.

Carton: 312pcs

02

2.4A US PIN ADAPTER

Name: 2.4A HOME CHARGER (US STANDARD PIN)

Type: LT-CT-33

Output Capacity: 5.0V 2.4A

USB: 1 USB

Color: white

Material: ABS+PC

Specification:

1. ANTI-EXPOSIVE fast charger, 2.4A output , safe and stable
2. With protection of electricity and IC protector.
3. Anti-fire and eco-friendly material of PC.
4. With SPD, short circuit protection, over-voltage protection, overload protection, over temperature protection, constant current.

CARTON: 312pcs/carton

01

2.4A US PIN ADAPTER with cable

Name: 2.4A HOME CHARGER with Cable (US STANDARD PIN)

Type: LT-TZ-22-V8/ LT-TZ-22-TPC / LT-TZ-22-i6

Output Capacity: 5.0V 2.4A

USB: 1 USB+ Micro cable/ TPC cable

Color: white

Material: ABS+PC

Specification:

1. ANTI-EXPOSIVE fast charger, 2.4A output , safe and stable
2. With protection of electricity and IC protector.
3. Anti-fire and eco-friendly material of PC.
4. With SPD, short circuit protection, over-voltage protection, overload protection, over temperature protection, constant current.

CARTON: 312pcs/ carton

02

3C 2.1A Charger

Name: 2.1A charger

Model: BQ-020

Capacity: 5.0V 2.1A

Color: white

Material: ABS+PC

Specification:

1. ANTI-EXPOSIVE fast charger, 2.4A output , safe and stable
2. With protection of electricity and IC protector.
3. Anti-fire and eco-friendly material of PC.
4. With SPD, short circuit protection, over-voltage protection, overload protection, over temperature protection, constant current.

CARTON: 52pcs / small box , 312pcs / carton

02

2.1A charger set

Name: 2.1A charger set

model: BQ-020-V8/TPC/i6

capacity: 5.0V 2.1A

Color: white

Material: ABS+PC

Specification:

1. ANTI-EXPOSIVE fast charger, 2.4A output , safe and stable
2. With protection of electricity and IC protector.
3. Anti-fire and eco-friendly material of PC.
4. With SPD, short circuit protection, over-voltage protection, overload protection, over temperature protection, constant current.

Carton: 312 pcs

02

22.5W HOME CHARGER

Name: 22.5Watt HOME CHARGER (US STANDARD PIN)

Type: LT-CT-34

Output Capacity: 5.0V 4.5A

USB: 1 USB

Color: white

Material: ABS+PC

Specification:

1. ANTI-EXPOSIVE fast charger, 4.5A real capacity output , safe and stable.
2. With protection of electricity and IC protector.
3. Anti-fire and eco-friendly material of PC.
4. With SPD, short circuit protection, over-voltage protection, overload protection, over temperature protection, constant current.

CARTON: 312pcs/carton

02

22.5Wm US PIN ADAPTOR with cable

Name: 22.5Watt HOME CHARGER with Cable (US STANDARD PIN)

Type: LT-TZ-21-1V8/ LT-TZ-21-TPC/LT-TZ-21-i6

Output Capacity: 5.0V 4.5A

USB: 1 USB+ Micro cable/ TPC cable

Color: white

Material: ABS+PC

Specification:

1. ANTI-EXPOSIVE fast charger, 5A output , safe and stable
2. With protection of electricity and IC protector.
3. Anti-fire and eco-friendly material of PC.
4. With SPD, short circuit protection, over-voltage protection, overload protection, over temperature protection, constant current.

CARTON: 312pcs/ carton

04

22.5W HOME CHARGER

Name: 22.5Watt HOME CHARGER (US STANDARD PIN)

Type: LT-CT-34

Output Capacity: 5.0V 4.5A

USB: 1 USB

Color: white

Material: ABS+PC

Specification:

1. ANTI-EXPOSIVE fast charger, 4.5A real capacity output , safe and stable.
2. With protection of electricity and IC protector.
3. Anti-fire and eco-friendly material of PC.
4. With SPD, short circuit protection, over-voltage protection, overload protection, over temperature protection, constant current.

Carton: 132 pcs/ carton

01

6A Anti-break cable

Name: 1 meter charging cable

Type: LT-V8-34/LT-i6-34/LT-TPC-34

Capable: MICRO USB / LIGHTNING / TYPE-C

Color: white

Length: 100cm

Specification:

1. Original model;
2. 100% pure copper core, more stable transmit data;
3. Adopted PET material, eco-friendly;
4. USB head adapted Aluminum alloy;
5. 4 band copper core 1.5A acceptable.

CARTON: cable & package separately 2000pcs / carton

02

22.5W HOME CHARGER PLUS

Name: 22.5Watt HOME CHARGER (US STANDARD PIN)

Type: LT-TZ-21

Output Capacity: 5.0V 4.5A

USB: 1 USB

Color: white

Material: ABS+PC

Specification:

1. ANTI-EXPOSIVE fast charger, 4.5A real capacity output , safe and stable.
2. With protection of electricity and IC protector.
3. Anti-fire and eco-friendly material of PC.
4. With SPD, short circuit protection, over-voltage protection, overload protection, over temperature protection, constant current.

CARTON: 132pcs/carton

03

66W Home Charger

Name: 66Watt HOME CHARGER (US STANDARD PIN)

Type: LT-CT-36

Output Capacity: 5.0V 4.5A

USB: 1 USB

Color: white

Material: ABS+PC

Specification:

1. ANTI-EXPOSIVE fast charger, 5A 66W real capacity output , safe and stable.
2. With protection of electricity and IC protector.
3. Anti-fire and eco-friendly material of PC.
4. With SPD, short circuit protection, over-voltage protection, overload protection, over temperature protection, constant current.

CARTON: 312pcs/carton

10

3.5A charger

Name: 3.5A charger

Model: LT-CT-49

Capacity: 3.5A

Color: White

Material: ABS+PC

Specification:

1. ANTI-EXPOSIVE fast charger, 3.5Areal capacity output , safe and stable.
2. With protection of electricity and IC protector.
3. Anti-fire and eco-friendly material of PC.
4. With SPD, short circuit protection, over-voltage protection, overload protection, over temperature protection, constant current.

10

3.5A CHARGER SET

NAME: 3.5A charger set

Model: LT-TZ-41

Capacity: 3.5A

Color: White

Material: ABS+PC

Specification:

1. ANTI-EXPOSIVE fast charger, 3.5Areal capacity output , safe and stable.
2. With protection of electricity and IC protector.
3. Anti-fire and eco-friendly material of PC.
4. With SPD, short circuit protection, over-voltage protection, overload protection, over temperature protection, constant current.

Carton:312pcs

03

66W Home Charger

Name: 66Watt HOME CHARGER (US STANDARD PIN)

Type: LT-TZ-26

Output Capacity: 5.0V 4.5A

USB: 1 USB

Color: white

Material: ABS+PC

Specification:

1. ANTI-EXPOSIVE fast charger, 5A 66W real capacity output , safe and stable.
2. With protection of electricity and IC protector.
3. Anti-fire and eco-friendly material of PC.
4. With SPD, short circuit protection, over-voltage protection, overload protection, over temperature protection, constant current.

CARTON: 312pcs/carton

06

12WPD charger (simple)

Name: 12 WPD charger (simple)

Model: LT-CT-43

Capacity: 5.0V 20W

Color: white

Material: ABS+PC

Specification:

1. PD real 12w capacity.
2. Professional for iphone12, 11,11 pro, iphone X MAX.
3. TYPE-C interface.
4. Support Iphone 8 above, and Ipad 11,ipad 11 pro, itouch.

carton: 52pcs/small box ,312pcs/ carton

1

20W PD ADAPTOR SET

Iphone 12, 1 hour charging 95%

Name: PD adaptor with PD cable

Model: LT-TZ-34-PD

Voltage: 5.0V 12W

Color: White

Material: ABS+PC

Gross weight: 70g

Specification:

1. PD real 12w capacity.
2. Professional for iphone12, 11,11 pro, iphone X MAX.
3. TYPE-C interface.
4. Support Iphone 8 above, and Ipad 11,ipad 11 pro, itouch.

CARTON: 52pcs / small box , 312pcs / carton

1

20W PD ADAPTOR

Iphone 12, 1 hour charging 95%

Name: PD adaptor

Model: LT-CT-35

Voltage: 5.0V 20W

Color: White

Material: ABS+PC

Gross weight: 70g

Specification:

1. PD 20W power adaptor, output capacity is 20W.
2. Professional for iphone12, 11,11 pro, iphone X MAX.
3. TYPE-C interface.
4. Support Iphone 8 above, and Ipad 11,ipad 11 pro, itouch.

CARTON: 22pcs / small box , 132pcs / carton

10

20W PD POWER ADAPTOR SET

**iPhone FAST charging
1 hour charging to 95%**

Name: 20W PD POWER ADAPTOR SET(with PD cable)

Type: LT-TZ-23-PD

Output Capacity: 5.0V 18W

Color: white

Material: ABS+PC

USB: 1 USB PORT+1PD cable

Gross weight:70g

Specification:

1. PD 20W power adaptor, output capacity is 18W.
2. Professional for iphone12, 11,11 pro, iphone X MAX.
3. TYPE-C interface.
4. Support Iphone 8 above, and Ipad 11,ipad 11 pro, itouch.

CARTON: 22pcs / small box , 132pcs / carton

02

22.5W HOME CHARGER

Name: 22.5Watt HOME CHARGER (US STANDARD PIN)

Type: LT-CT-38

Output Capacity: 5.0V 4.5A

USB: 1 USB

Color: white

Material: ABS+PC

Specification:

1. ANTI-EXPOSIVE fast charger, 4.5A real capacity output , safe and stable.
2. With protection of electricity and IC protector.
3. Anti-fire and eco-friendly material of PC.
4. With SPD, short circuit protection, over-voltage protection, overload protection, over temperature protection, constant current.

CARTON: 312pcs/carton

01

5A anti-break cable

Name: 1 meter data cable

Type: LT-V8-27/LT-i6-27/LT-TPC-27

Capable: MICRO USB / LIGHTNING / TYPE-C

Color: white

Length: 100cm

Specification:

1. Original model;
2. 100% pure copper core, more stable transmit data;
3. Adopted PET material, eco-friendly;
4. USB head adapted Aluminum alloy;
5. 4 band copper core 3A acceptable.

CARTON: 300pcs / carton

10

22.5W charger

Name: 22.5W charger all fast charging

Mdel: LT-TZ-33-v8/LT-TZ-33-v8

Capacity: 65W

Material: ABS+PC

Specification:

1. ANTI-EXPOSIVE fast charger, 4.5A real capacity output , safe and stable.
2. With protection of electricity and IC protector.
3. Anti-fire and eco-friendly material of PC.
4. With SPD, short circuit protection, over-voltage protection, overload protection, over temperature protection, constant current.

09

120W Generation4 Charger

Name: 120W Generation 4 charger

Model: LT-CT-50

Capacity: 120W

Color: White

Material: ABS+PC

Specification:

1. Super fast charging while display 40w.
2. With protection of electricity and IC protector.
3. Anti-fire and eco-friendly material of PC.
4. With SPD, short circuit protection, over-voltage protection, overload protection, over temperature protection, constant current.

CARTON: 44pcs / small box , 264pcs / carton

09

120W generationIV fast charger

Name: 120W generation4 fast charger

Mdel: LT-TZ-42-v8/LT-TZ-31-tpc

Capacity: 65W

Material: ABS+PC

Specification:

1. Support fast charging and display 40w, 5A 65W real capacity output , safe and stable.
2. With protection of electricity and IC protector.
3. Automatically power off after mobile full charging
4. With SPD, short circuit protection, over-voltage protection, overload protection, over temperature protection, constant current.

10

66W super fast charger

Name: 66W super fast charger

Model: LT-CT-42

Capacity: 66W

Color: White

Material: ABS+PC

1 USB

Specification:

1. Support fast charging and display 65w, 5A 66W real capacity output , safe and stable.
2. With protection of electricity and IC protector.
3. Automatically power off after mobile full charging
4. With SPD, short circuit protection, over-voltage protection, overload protection, over temperature protection, constant current.

CARTON: 44pcs / small box , 264pcs / carton

09

66W super fast charger

Name: 66W charger all fast charging

Mdel: LT-TZ-32-v8/LT-TZ-32-v8

Capacity: 65W

Material: ABS+PC

Specification:

1. Support fast charging and display 65w, 5A 66W real capacity output , safe and stable.
2. With protection of electricity and IC protector.
3. Automatically power off after mobile full charging
4. With SPD, short circuit protection, over-voltage protection, overload protection, over temperature protection, constant current.

01

EU PIN charger

HOT SELLER:1 usb

Name: EU PIN Charger

Type: LT-CT-46

Output Capacity: 5.0V 2.1A

Color: white

Material: ABS+PC

1 USB

Specification:

1. ANTI-EXPOSIVE fast charger, safe and stable
2. With protection of electricity and IC protector.
3. Anti-fire and eco-friendly material of PC.
4. With SPD, short circuit protection, over-voltage protection, overload protection, over temperature protection, constant current.

CARTON: 52pcs / small box , 312pcs / carton

01

EU PIN Charger with cable

HOT SELLER: 1 USB+cable

Name: EU PIN Charger with cable

Type: LT-TZ-37-I6/LT-TZ-37-V8/LT-TZ-37-TPC

Output Capacity: 2.1A

Color: white

Cable type: MICRO/IPHONE/TPC

Material: ABS+PC

USB: 1 USB PORT

Specification:

1. ANTI-EXPOSIVE fast charger, safe and stable
2. With protection of electricity and IC protector.
3. Anti-fire and eco-friendly material of PC.
4. With SPD, short circuit protection, over-voltage protection, overload protection, over temperature protection, constant current.

CARTON: 52pcs / small box , 312pcs / carton

01

EU PIN charger

HOT SELLER:1 usb

Name: EU PIN Charger

Type: LT-CT-44

Output Capacity: 5.0V 2.4A

Color: white

Material: ABS+PC

2 USB

Specification:

1. ANTI-EXPOSIVE fast charger, safe and stable
2. With protection of electricity and IC protector.
3. Anti-fire and eco-friendly material of PC.
4. With SPD, short circuit protection, over-voltage protection, overload protection, over temperature protection, constant current.

CARTON: 52pcs / small box , 312pcs / carton

01

EU PIN 5A Cahrger with cable

HOT SELLER: 1 USB+cable

Name: EU PIN 5A Charger with cable

Type: LT-TZ-35-I6/V8/TPC

Output Capacity: 2.4A

Color: white

Cable type: MICRO/IPHONE/TPC

Material: ABS+PC

USB: 2 USB PORT

Specification:

1. ANTI-EXPOSIVE fast charger, safe and stable
2. With protection of electricity and IC protector.
3. Anti-fire and eco-friendly material of PC.
4. With SPD, short circuit protection, over-voltage protection, overload protection, over temperature protection, constant current.

CARTON: 52pcs / small box , 312pcs / carton

01

EU PIN charger

HOT SELLER:1 usb

Name: EU PIN Charger

Type: LT-CT-45

Output Capacity: 5.0V 2.4A

Color: white

Material: ABS+PC

3 USB

Specification:

1. ANTI-EXPOSIVE fast charger, safe and stable
2. With protection of electricity and IC protector.
3. Anti-fire and eco-friendly material of PC.
4. With SPD, short circuit protection, over-voltage protection, overload protection, over temperature protection, constant current.

CARTON: 52pcs / small box , 312pcs / carton

02

5A Matel cable

Name: Flash fish data cable

Type: LT-V8-28/LT-i6-28/LT-TPC-28

Capable: MICRO USB / LIGHTNING / TYPE-C

Color: white/ black

Length: 100cm

Current: 5 A FAST CHARGING

Specification:

1. ANTI-BREAK HEAD, 10000 times bend test.
2. 118 pcs 100% pure copper core, transmit data more stable
3. Adopted PET material, eco-friendly;
5. 4 bands copper core 5A acceptable.

CARTON: 300pcs / carton

01

EU PIN 5A Cahrger with cable

HOT SELLER: 1 USB+cable

Name: EU PIN 5A Charger with cable

Type: LT-TZ-36-I6/LT-TZ-36-V8/LT-TZ-36-TPC

Output Capacity: 2.1A

Cable type: MICRO/IPHONE/TPC

Material: ABS+PC

USB: 1 USB PORT

Specification:

1. ANTI-EXPOSIVE fast charger, safe and stable
2. With protection of electricity and IC protector.
3. Anti-fire and eco-friendly material of PC.
4. With SPD, short circuit protection, over-voltage protection, overload protection, over temperature protection, constant current.

CARTON: 52pcs / small box , 312pcs / carton

16

2.4A UK pin charger

Name: 2.4A UK charger

Model: LT-CT-40

Capacity: 5.0V 5A

Color: white

Material: ABS+PC

2USB

Specification:

1. ANTI-EXPOSIVE fast charger, safe and stable
2. With protection of electricity and IC protector.
3. Anti-fire and eco-friendly material of PC.
4. With SPD, short circuit protection, over-voltage protection, overload protection, over temperature protection, constant current.

CARTON: pcs / small box , pcs / carton

17

PD+QC UK charger

Name: PD+QC3.0 UK charger

Model: LT-CT-41

Capacity: 20w

Color: white

Material: ABS+PC

1USB+PD

Specification:

1. ANTI-EXPOSIVE fast charger, safe and stable
2. With protection of electricity and IC protector.
3. Anti-fire and eco-friendly material of PC.
4. With SPD, short circuit protection, over-voltage protection, overload protection, over temperature protection, constant current.

CARTON: pcs / small box , pcs / carton

14

20W PD EU PIN CHARGER

Suit for iphone 11,X,Xmax,8.

Name: 20W PD EU PIN POWER ADAPTOR

Type: LT-CT-32

Output Capacity: 5.0V 18W

Color: white

Material: ABS+PC

USB: 1 USB PORT

Gross weight:70g

Specification:

1. PD(power deliver), fast charging for iphone11,X,Xmax,8, capacity is 20W;
2. Charging 50% within 30 minutes, support iphone all series;
- 3.EU round pin, Type-C output

CARTON: 52pcs / small box , 312pcs / carton

16

2.4A UK charger set

Name: 2.4A UK charger set

Model: LT-TZ-29

Capacity: 5.0V 2.4A

Color: White

Material: ABS+PC

Specification:

1. ANTI-EXPOSIVE fast charger, safe and stable
2. With protection of electricity and IC protector.
3. Anti-fire and eco-friendly material of PC.
4. With SPD, short circuit protection, over-voltage protection, overload protection, over temperature protection, constant current.

17

PD+QC Charger Set

Name: PD+QC Charger Set

Model: LT-TZ-30

Capacity: 20W

Color: white

Material: ABS+PC

Specification:

1. PD(power deliver), fast charging for iphone11,X,Xmax,8, capacity is 20W;
2. QC3.0 port for fast charging;
3. Charging 50% within 30 minutes, support iphone all series;
4. UK pin, Type-C output

01

65W Car charger

Name: 65W Car charger

Model: LT-CC-15

Capacity: 65W

Color: Red/Grey/Golden

Material: Aluminum Alloy

Specification:

1. Super fast car charger, 65w max CAPACITY
2. Super fast charging for Huawei mobile phone .
4. With SPD, short circuit protection, over-voltage protection, overload protection, over temperature protection, constant current.

CARTON: 132pcs / carton

02

PD Car Charger

Name: PD Car charger

Model: LT-CC-16

Capacity: 20W

Color: Black/Grey/Golden/Dark red/Rose golden

Material: Aluminum Alloy

Specification:

1. PD car charger ,20W CAPACITY
2. PD port support all iphone PD mobile phone .
4. With SPD , short circuit protection, over-voltage protection, overload protection, over temperature protection, constant current.

CARTON: 132pcs / carton

06

Name: 3 in 1 charging cable

Type: LT-ET7

Compatible: MICRO USB+ LIGHTNING+TYPE-C

Color: Black+red+blue

Length: 120cm

Weight: 80g

Specification:

- 1.High quality fabric material, 4 bands copper core 5 A acceptable.
2. 118 pcs 100% pure copper core, transmit data more stable.
4. USB head adapted Aluminum alloy.
5. Anti-break each joint.

CARTON: 312pcs / carton

03

65W Super Fast Car charger set

Name: 65W Car charger set with cable

Model: LT-TZ-24

Capacity: 65W

Color: Red/Grey/Golden

Material: Aluminum Alloy

Specification:

1. Super fast car charger,65w CAPACITY
2. Super fast for Huawei mobile phone .
4. With SPD, short circuit protection, over-voltage protection, overload protection, over temperature protection, constant current.

CARTON: 132pcs / carton

01

3.4A 2usb Car Charger

Name: Mini Car charger

Type: LT-CC-14

Output Capacity: 3.4 A

Color: white / black

Material: ABS+metal

USB: 2 USB PORT

Specification:

1. ABS+Alluminium alloy material;
2. ANTI-EXPOSIVE fast car charger;
3. With protection of electricity and IC protector.
4. With SPD, short circuit protection, over-voltage protection, overload protection, over temperature protection, constant current.

CARTON: 312pcs / carton

04

PD Car charger set with cable

Name: PD Car charger set with cable

Model: LT-TZ-25

Capacity: 20W

Color: black/grey/golden/dark red/rose golden

Material: Aluminum Alloy

Specification:

1. PD car charger ,20W CAPACITY
2. PD port support all iphone PD mobile phone .
4. With SPD , short circuit protection, over-voltage protection, overload protection, over temperature protection, constant current.

CARTON: 132pcs / carton

03

QC3.0+PD Car Charger

Name: 36w car charger

Type: LT-CC-13

Output Capacity: 36W

Color: Black/Grey

Material: Metal

Gross weight: 84g

Specification:

1. QC3.0 fast car charger,36w CAPACITY
2. PD port support all iphone PD Huawei mobile phone .
4. With SPD, short circuit protection, over-voltage protection, overload protection, over temperature protection, constant current.

CARTON: 52pcs / small box , 312pcs / carton

03

5A Car Charger

huawei/VIVO/OPPO/MI fast
charger

Name: 5A car charger

Type: LT-CC-10

Output Capacity: 30W

Color: Black

Material: ABS+PC

Gross weight:84g

Specification:

1. 5A fast car charger,5A,30w CAPACITY
2. With IC support all fast charging mobile phone .
3. Anti-fire and eco-friendly material of PC.
4. With SPD, short circuit protection, over-voltage protection, overload protection, over temperature protection, constant current.

CARTON: 52pcs / small box , 312pcs / carton

01

Screen Protector Glass

All type (Model),high quality

Name: M01 Edge glass / Full glass

Type: iphone + Huawei + MI+ oppo +vivo + samsung

Material: Tempered glass

Color:9H

Apply: slit to attach

Accessory:with wet dry cloth to clean and dry the screen

Specification:

1. Fully protect your screen, and more clear to display;
2. Easy to apply and no air bubble;
3. Anti-finger print, and anti-oil smudging protection
4. High quality and fine workshop
5. 10 times durable, hardness, anti-explosive.

CARTON: 10pcs / small box

03

Gravity Car Bracket

Name: Gravity Car Bracket

Type: LT-CJ-08

Color: black

Material: Aluminum alloy

Adaped: air vent mount

Specification:

1. Gravity bracket automatically lock your phone, and easy to put on and pull out.
2. Clip bracket hold your phone stable even sudden braking and bumpy road conditions;
3. Rotatable head to adjust the vision;
4. Aluminum alloy material.

CARTON: 24pcs / small box , 144pcs / carton

04

Automatic Car Bracket

Name: Gravity Car Bracket

Type: LT-CJ-09

Color: black

Material: Plastic

Adaped: air vent mount

Specification:

1. Mini size;
2. Put on your phone on that, 4spot hold your phone automatically;
2. Clip bracket hold your phone stable even sudden braking and bumpy road conditions;
3. Rotatable head to adjust the vision.

CARTON: 24pcs / small box , 144pcs / carton

03

Magnetic car holder

Name: Magnetic car holder

Model: LT-CJ-05

Color: Black

Compatible:

Stand: Magnetic

Weight: 81g

Specification:

- 1. Contains 5 magnets, strong magnetic attraction, can not be shaken off wildly**
- 2. L-shaped new design, miniature and exquisite, does not block the air outlet**
- 3. Fully compatible, suitable for smart digital products below 3-7 inches**
- 4. Easily fix the phone by magnetic force, pick and place with one hand, hold and place at any time**

Carton: 39pcs/box , 234/ carton

05

Mirror Car Bracket

Name: Mirror Gravity Car Holder

Type: LT-CJ-07

Color: black

Material : Aviation aluminum alloy

Adaped: air vent mount

Specification:

1. Gravity bracket automatically lock your phone, and easy to put on and pull out.
2. Clip bracket hold your phone stable even sudden braking and bumpy road conditions;
3. Rotatable head to adjust the vision;
4. Aluminum alloy material.

CARTON: 24pcs / small box , 144pcs / carton

03

Name: 3 in 1 charging cable

Type: LT-ET6

Compatible: MICRO USB+ LIGHTNING+TYPE-C

Color: Black+red+blue

Length: 120cm

Weight: 80g

Specification:

- 1.High quality fabric material, 4 bands copper core 5 A acceptable.
2. 118 pcs 100% pure copper core, transmit data more stable.
4. USB head adapted Aluminum alloy.
5. Anti-break each joint.

CARTON: 312pcs / carton

06

Table holder

Name: Aluminum alloy table phone holder

Model: LT-ZJ-06

Color: black/silver

Installation: Table use

Weight: 81g

Material: Aluminum alloy material.

Specification:

1. Aluminum alloy material make sure stable
2. Rotatable head, 5-45° adjustable
3. Fine metal blasting process, anti-oxidation and no degradation
4. Suitable for pad and phone, suitable for different size.

CARTON: 12pcs / small box , 72pcs / carton

01

music Earphone

Name: music Earphone

Type: LT-EJ-19

Wear Type: Flat ear

Port: AUX 3.5MM

Color: white black

Wire length: 120cm

key: answer call

With Microphone

Specification:

1. Adopted TPE and eco-friendly material;
2. Compatible for all 3.5mm phone;
3. With microphone to answer call;
4. Shining shell and Nice packing.

CARTON: 420pcs / carton

02

Music Earphone

Name: Music Earphone

Type: LT-EJ-20

Wear Type: In ear

Port: AUX 3.5MM

Color: white black

Wire length: 120cm

key: answer call

With Microphone

Specification:

1. Adopted TPE and eco-friendly material;
2. Compatible for all 3.5mm phone;
3. With microphone to answer call;
4. Shining shell and Nice packing.

CARTON: 420pcs / carton

03

Music Earphone

Name: Music Earphone

Type: LT-EJ-21

Wear Type: In ear
